The Competition

The competition will require students to come up with a solution for a real task. There will be two categories, multimedia and programming.

Prizes

Prizes will be awarded to the top three teams in each category.

Time

The competition will take place on Saturday, April 24th from 9.00am until 3.00pm Hong Kong time.

Venue

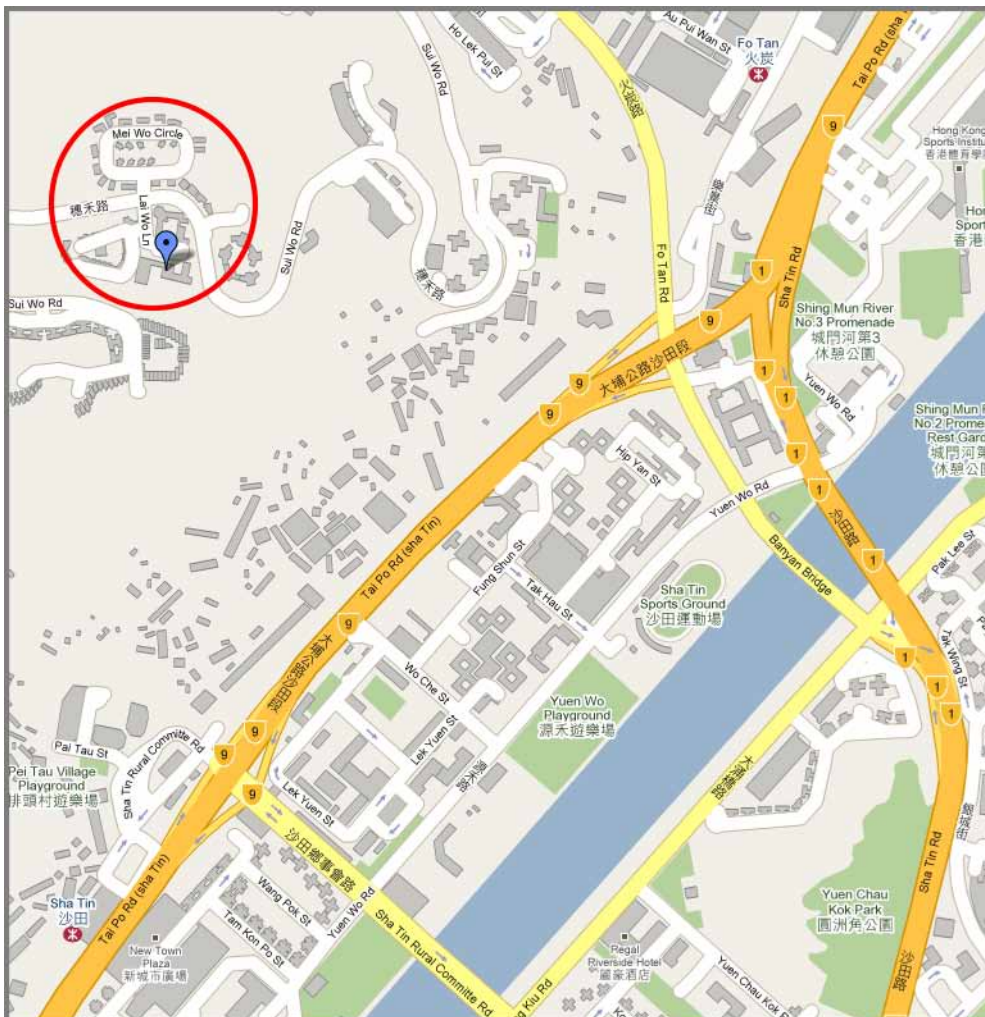

Entries have been invited from schools in SE Asia and New Zealand. Teams taking part in Hong Kong should go to Sha Tin College to take part. Overseas teams are not required to do this but should be supervised by a responsible adult who can verify that the work they produce is their own.

Address: Sha Tin College, 3 Lai Wo Lane, Sui Wo Road, Fo Tan, Sha Tin, N.T., Hong Kong.

Getting to Sha Tin College

On arrival at Sha Tin KCR proceed through the left-hand turnstiles, turning sharp left and proceeding to the lower level by the pedestrian walkway. Here you will find a taxi rank alongside the 69K minibus lane.

If travelling by taxi please tell the driver that you require the Fo Tan area of Sha Tin and that the College is situated off Sui Wo Road, as this is a major road and well known to the taxi drivers. Sui Wo Road is a steep hill-climb and as you feel you are getting towards the top of the road you will see a large pink building to the right-hand side. Immediately after this you will see a school sign on the left and you should instruct the driver

to take the next left into Lai Wo Lane where you will find the College. The journey will take approximately ten minutes from the KCR.

The 69K minibus will take the same route as above and will stop at the junction of Sui Wo Road and Lai Wo Lane.

If you are driving take the Fotan exit after exiting the Lion Rock Tunnel. Follow the Fotan Road until the turn off to Shan Mei Street. Turn left at junction then left again at the roundabout. Take Sui Wo Road almost to the top. Turn left at Lai Wo Lane. Please note that during the day parking is very limited.

Equipment Required

If you are taking part in Hong Kong, computers will be available with video editors, the Adobe CS4 Master Suite and most other software you are likely to need. However, you may bring any equipment you think you may need, e.g. laptops, video cameras, sound recording equipment, etc.

For those taking part in other countries you will need broadband access to the Internet and a webcam to allow you to remain in contact with the competition centre in Sha Tin.

Food

There will be no set breaks but refreshments will be available throughout the day. Lunch will be provided.

Costs

There is no charge to take part in the competition.
